

Trumbull County Heritage Festival

September 19-21, 2003

The Trumbull County Heritage Festival celebrates our past and the Ohio Bicentennial with a two-day event in Warren's downtown Historic District. Several organizations and individuals have joined with the Trumbull County Historical Society to sponsor the Festival. With displays and exhibits, a crafters village, museum tours, re-enactors, speakers, entertainment and more, the Festival focuses on our early history to 1900. Everyone involved hopes you enjoy learning more about the history of Trumbull County and the many contributions of its citizens.
